

**Hey Attrangi**

Hey Attrangi Team

## **Dr. Sandesh Palhke**

### **Founder & Lead Therapist**

Dr. Sandesh Palhke is a child psychologist and educator whose mission shaped Hey Attrangi. His work focuses on building safe emotional spaces, resilience, and neurodivergent support systems.

## M. Bharat Reddy

### CEO & Co-Founder

Bharat leads technology and strategy at Hey Attrangi. His work bridges psychology, digital tools, and accessible mental-health tech for neurodivergent individuals.

## D. Harshith

### Tech Lead

Harshith designs and builds the core technical systems behind Hey Attrangi, focusing on smooth UX, reliability, and scalable engineering.

## Lakshmi Prasad

### Developer & UX

Lakshmi builds accessible interfaces and UX flows that help neurodivergent users navigate meaningfully through the Hey Attrangi platform.

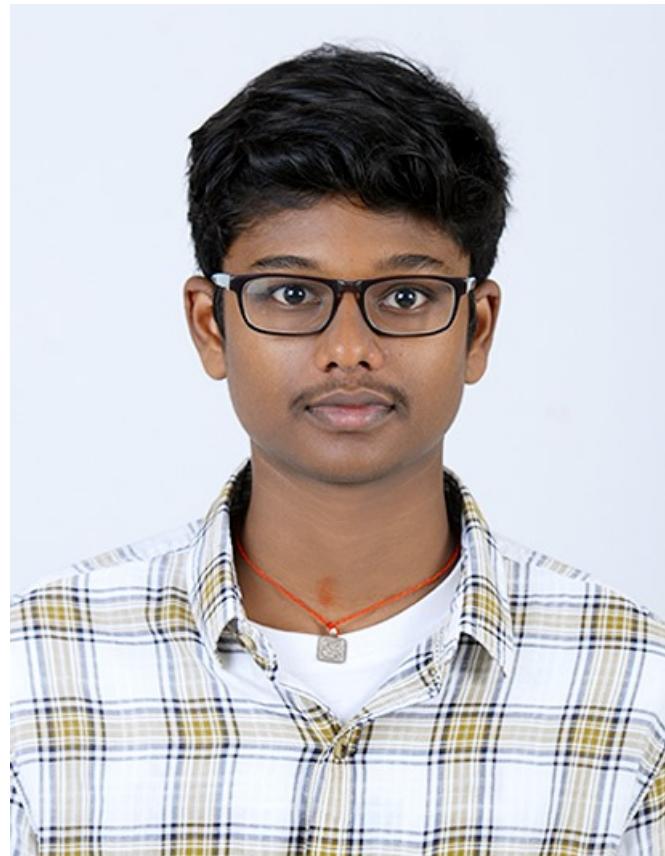

## Charan

### Frontend Developer & UI/UX

Charan designs and develops clean, user-centered front-end systems that make Hey Attrangi visually appealing and easy to use.

## Kalyan Jakkaju

### **Media Outreach & Research Lead**

Kalyan leads communication, content, and evidence-based storytelling to make neurodivergent support accessible, relatable, and culturally aware.
